

Week 1 and Week 2

“Think Like a Game Designer”

We would love you to complete 1 activity a day...minimum of 8 activities by Friday 24th April.

On Monday 20th April join in the MAD Challenge for that week around games!

Make sure you share your learning during the week on your Hub page- get mum or dad to help- your teacher will be checking on you as well and posting activities and TLC lessons.!!

<p>Navigate I will begin...</p> <p>What makes a game fun?</p> <p><i>Select some games that you have at your house. It might be a family favourite, something you learnt at school, a game your parents might know and could teach you or possibly you have a game in the cupboard that you've never played before!</i></p>	<p>Play the games and think about what makes a game fun to play.</p> <p>Here are some questions to think about:</p> <p>Do you enjoy playing this game? Would you play this game more than once? What do you like about it? What would you change? Is this a game of luck or skill? How did you know how to play this game?</p>	<p>* Write down 3 things you like and 1 thing you don't about each game.</p>	<p>Remember – there are all types of games. Board games, card games (don't forget Pokemon and Magic), dice games, outside games (if you can), video games, puzzles, word games and more.</p>
---	--	--	---

P.E.P Time – Participate, Effort and Persevere

Living our school values!

<p>Venture Out I will build....</p> <p>Students are able to choose which activities they want to complete over a two-week period. You/they must complete a minimum of four tasks from each area. Please complete all specialist activities</p>	<p>Maths....</p>	<p>Phone number operations Write your home phone or parents cell phone number down. Using the numbers, see how many different equations you can make and try to solve them! Try making some</p>	<p>How many cards? What number would you have if you added together all cards in a deck of cards? Remember: Ace = 1 Jack = 11 Queen = 12 King=13</p>	<p>Imaginary Dice! Imagine you have 6 normal playing dice, what numbers do you need to roll to make 9, 12, 17, 21, 26, 29, and 35?</p> <p>If you have dice, throw them and see if you can make the numbers!</p>
---	-------------------------	--	---	--

		multiplication, division, addition and subtraction problems!	Don't include the Joker's! Remember there are 4 cards of each number!	
	Literacy....	Boggle your mind Word building- how many words can you build out of just one word. Use one of these words below or choose your own. Try and make as many maori words as you can too! 1) Alphabetically 2) Trampolines 3) Flamingoes	ABC Create an ABC about board games making sure you write full sentences, not just single words. <i>E.g B- Board games are really fun.</i>	Game Changer Think of your favourite game. Write a new set of rules for it and explain why you would change these rules. OR you can write a set of rules for a new game you would like to create.
	The Arts....	Advertise a game! Design an advertisement poster to advertise one of your favourite games! It could be a board game, a video game , bullrush ect.	Maori style game board! Think of your favourite board game and redesign the board from a maori point of view! e.g picture, koru designs, labels in maori ect. New game pieces ect.	Make Playing Cards! Create your own set of cards using paper from your exercise book (or cardboard if you have it). You can use these to play 'Go Fish' if you don't have any!
	Other Areas. Eg Te Reo, Technology, Science....	Maori Television Watch one of the Te Reo Maori language learning programmes that are on Maori TV between 9am-3pm. Write down 5 new kupu (words) you have learnt and what they mean.	Learn the words needed to play "Go Fish" in Te Reo. Have you got a ...? - He ____ Tāu? No - Kāo or Kāore Yes - Āe Ace- Hai 2-10 - rua, toru, whā, rima, ono, whitu, iwa, tekau Jack - Hakī Queen - Kuini King - Kīngi	Chemical Reaction! Using a saucer/ bread plate, add milk and then a few drops of food colouring. Drop some dishwashing liquid in the middle of the plate and watch the magic! Discuss with someone in the house what happened and why you think this happened!
My Sharing				

Share I will Present <i>Make sure you ask mum or dad to check in on your Hub page and upload photos of your work for your teacher and friends to comment on.</i>	A comment or share a photo of the 5 words I learned from watching Maori television .	Upload a photo of the maori style game board you designed.	Share 5 words made during the boggle your mind activity.	Share a photo of something you have made at home e.g some baking or a hut ect.
	Share the set of rules you made for your game changer .	Share one thing you are grateful for on the post Miss Gow will put up.	Share your answer for the How many cards maths activity.	Post one of the maths equations you made from your phone number for others to solve
Extras....for those who want too.....				
Join a mini workshop <i>If you are able to view a workshop on your hub page</i>	Karakia and TLC at 10am	Math at 11am	Literacy at midday	Mindfulness and reflection at 1pm
Home choice board	Draw a family portrait	Help with the dishes	Relax and take time to sit each day and write 3 things you are grateful for.	Make or bake something yummy for your whanau
Apps to use.....	Tipu - Maori language lessons	Kupu - Take photos of objects and it tells you the maori word.	Reading Links https://stories.audible.com/start-listen	Monster Maths Different maths operations in a cool gaming style!
